

SKG Accessories and Spare Parts for Agilent 4339A/B IR Meters

Item #	SKG PN	Description	SKG Price	Equivalent Agilent PN	Agilent Description	Agilent Status
1	4339-100	shunt connector	\$340	04339-60003	shunt connector	discontinued
2	4339-101	triax cable assembly, 40" long, connector on one end	\$193	none	N/A	not offered
3	4339-102	triax cable assembly, 40" long, connector on both ends	\$408	17117-61604	triax cable assembly for 16117C	discontinued
4	4339-103	HV cable assembly, 40" long, connector on one end	\$100	none	N/A	not offered
5	4339-104	HV cable assembly, 40" long, connector on both ends	\$180	16117-61605	HV cable assembly for 16117C	discontinued
6	4339-105	interlock cable assembly, 40" long	\$143	16117-61606	interlock cable assembly for 16117C	discontinued
7	4339-109	low noise test leads, interlock connector cable	\$775	16117C	low noise cable assembly	discontinued
8	4339-110	low noise test leads, options 001, 002 and 003	\$881	16117B	low noise cable assembly	discontinued
9	1A	NIST traceable resistance standards for 4339	\$795, depends on resistance value	none	N/A	not offered
10	4339-111	cable set for model 1A standards	\$770	none	N/A	not offered
11	361A, 362A, 363A	test tweezers for 4339A/B	\$1,348	16118A	IR test tweezers for 4339A/B	discontinued
12	560A	bench fixture for testing MLCC's with shielded box and interlock	\$2,323	16339A	component test fixture	discontinued
